Sir/Madam:

Applicant notes that the title that appears on the Filing Receipt of the referenced patent application is incorrect. Specifically, the noted error seems to be the result of a discrepancy in the title heading the specification and the executed Combined Declaration and Power of Attorney form and that reflected in the transmittal letter and other accompanying papers filed to date with this office. Consequently, this authority is requested to enter the correct title, i.e., *POLISHING PAD COMPRISING BIODEGRADABLE POLYMER*, and to issue a corrected Filing Receipt. A marked-up copy of the original Filing Receipt is provided.

Respectfully submitted,

By Phyllis T. Turner-Brim
